# Welcome to Love 2 Dance 2026

Good evening and welcome to our Annual Dance Show, here at The Stag Theatre. Tonight's show will give many pupils, from 25 schools, the chance to perform. I hope you enjoy their moment in the spotlight.

Many of our partnership schools offer dance enrichment activities throughout the year. Within these sessions, students develop their confidence, creativity, teamwork, leadership skills, discipline and resilience.

Knole Academy is committed to providing a significant programme of activities to inspire local schools and we are fortunate, within Sevenoaks, to have many fantastic and enthusiastic sports teachers. As always, it is these passionate and committed staff, who enable such events to be so successful.

We have had thousands of students participate so far in our festivals - please see the Knole Sports Partnership section of our website [www.knoleacademy.org](http://www.knoleacademy.org) for more information. All of our events are supported by the ever increasing network of local sports clubs which provide our students with future pathways for a healthy lifestyle.

Thank you to all those involved, I hope you enjoy the show.
